

# THE KATE'S STORY

**WHO IS KATE?** Our Beautiful little girl, who God gave us in 2005. At home in her kitchen she might whip up pancakes from play dough, or she might make hot chocolate in an empty cup. However it is made, the service is always as great as the food.

Most days are spent with Kelly, her beautiful mom, who is also my beautiful wife. Kate's partner in most crimes is her little brother Ronnie.

On days they come up to Kate's Kitchen she makes a great hostess. She will give you the red carpet treatment on the way to your table.

Kate and Ronnie make the lives of those around them such a blessing, and when you meet them I am sure you will also feel the same.

**WELCOME TO KATE'S KITCHEN** It is our goal to provide you with the freshest ingredients every time, just the way you like them. Whether you visit us once a week or every day — you can count on us to make your meal from scratch every time.

We know how busy you are and just want to say thank you for letting us be a part of your day. God bless you and we look forward to serving you again soon.
